

# 12W CREE COB Downlight

## Product Features:

- Energy efficient COB LED downlight with deep Die Cast Aluminium diffuser design
- High lumen output CREE COB chip adopted for long lifetime
- Quality proven BTON LED driver dimmable on Trailing Edge, Universal and LED Dimmers
- Anti-glare lens adopted for optimum direct glare control
- Large Aluminium Heat sink for advanced heat dissipation
- Standard Cut out: Ø 90mm
- 0.6m Flex and 2 pin plug standard
- 3 year replacement warranty

## Application:

- Commercial and residential applications where fixed head and low glare control required

## Quick Spec

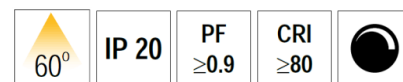

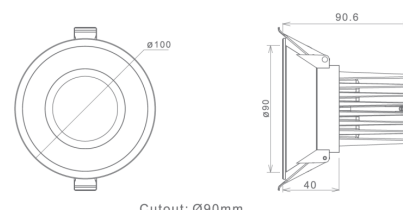

**Luminaire efficacy:** 80 lm/w

**Color temperature:** 3000k/4000k/5000k

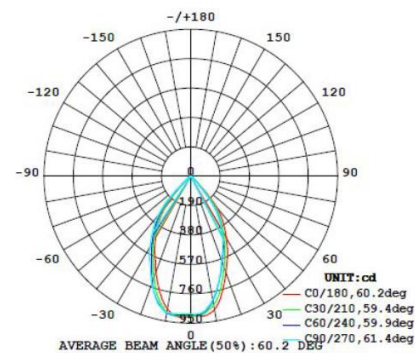

**Average rated LED life:** 50,000 hrs@L70

**Ambient temperature:** -25°C to 45°C

**Beam Angle:** 60°

## Luminous Intensity Distribution

Model	Watts	Supply Volatage	Lumen Output	Size (mm)	Weight	IP Rating
SL-DLCOB-12W	12W	AC200-240V,50Hz	907-997lm	Ø100*90	0.38kgs	IP20
