

Ultra LED Sports Field Light

PHILIPS
LUMILEDS

Product Features:

- Energy efficient, high performance Philips Lumileds LED Sports Field Light
- External quality Meanwell driver adopted for long lifetime
- Adjustable individual modular for various beam angle and optimum distribution outcomes
- Replaces conventional 2KW MV or MH light
- Great energy savings and low maintenance compared to conventional lamps
- Cross-ventilation heat sink design for optimum heat dissipation
- Quality fitting with baking finish treatment for excellent corrosiveness resistance
- 5 year replacement warranty

Application:

- Various Sports Fields: Football and Tennis fields
- Community ovals and fields
- Commercial and residential Open air car parks

*Shown above: 960W with 8 adjustable modules

Quick Spec

Luminous Efficacy: 160 lm/w

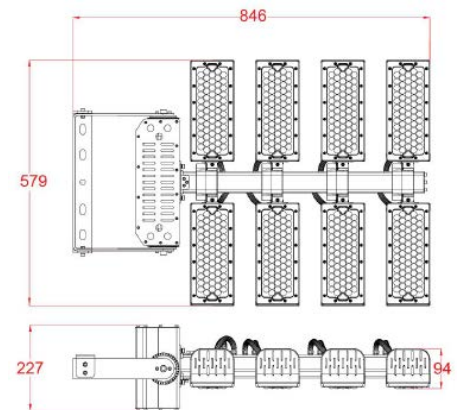

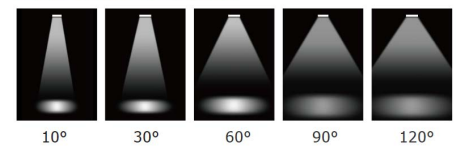

Color temperature: 2700k-6000K, CRI > 70

Average rated LED life: 50,000hrs @ L70

Ambient temperature: -40°C to 60°C

Beam Angle: 10°/30°/60°/90°/120°

Multiple angles are available.

Dimension for SL-T500-960W

Model	Watts	Supply Volatage	Lumen Output	L*W*H (mm)	Weight	IP Rating
SL-T500-480W	480W	AC90-305V,50Hz	76800lm	536*165*579	12.2Kgs	IP66
SL-T500-720W	720W	AC90-305V,50Hz	115200lm	691*202*579	15.8Kgs	IP66
