

180W Linear LED Highbay Light

Product Features:

- Linear LED Highbay with various optics optimized for warehouse racking applications
- Reduced fitting count – with 40° x 130° beam angle maximizes luminaire spacing
- Multi-Purpose Mounting Bracket – Surface Mount, Jack Chain, Solid Rod, Catenary Wire
- Energy efficient LED Lowbay light with efficacy of 135lm/W
- Replaces conventional MV and MH High bay and/or low bay lights, saving 2/3 of energy
- Meanwell driver and Japan made Nichia LED chips adopted for longer lifetime
- Integrated heat sink design for better heat dissipation outcome
- Weatherproof design with IP66 rating
- 1.2 metre flex and 3 pin plug standard
- 5 year replacement warranty

Optional:

- DALI
- Microwave Sensor

Application:

- Industrial factories, workshops and warehouses with vertical racking
- Outdoor canopy light and loading bay lighting

Quick Spec

Luminous Efficacy: 135 lm/w

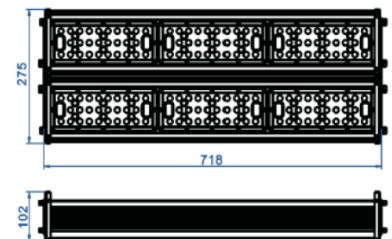

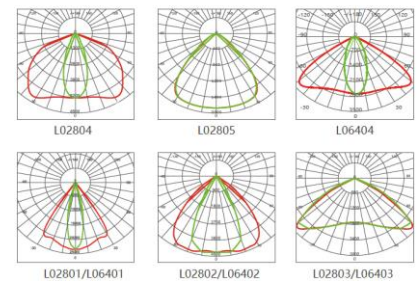

Color temperature: 4000K/5000K; CRI>75

Average rated LED life: 60,000hrs @ L70

Ambient temperature: -35°C to 45°C

Beam Angle: 40°x130°,60°x90°,90°,120°

Photometry

Model	LCP	Supply Voltage	Lumen Output	Dim (mm)	Weight	IP Rating
