

Power & Color Switchable LED Weatherproof Batten

OSRAM

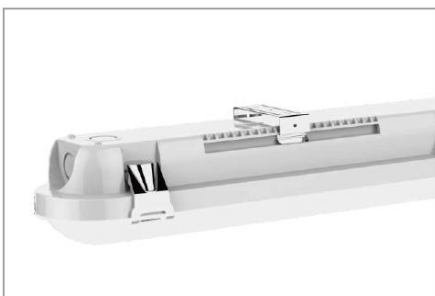

Product Features:

- Energy efficient Power & Color Switchable LED Weatherproof Batten Light
- Easy power selection by pin-switch between 24W/30W/36W/42W
- Easy color switchable between 4000K/5000K/6000K
- Quality OSRAM Driver used for long lifetime
- Polycarbonate reeded diffuser for higher efficiency and better distribution
- Stainless Steel clips, with Vandal proof design
- IP65 weatherproof rating
- 3 Year Replacement Warranty

Application:

- Commercial and residential carparks, corridors and fire stairs
- Under canopy areas, loading bays and security lighting

Quick Spec

Luminous Efficacy: 120lm/w

Color temperature: 4000K/5000K/6000K

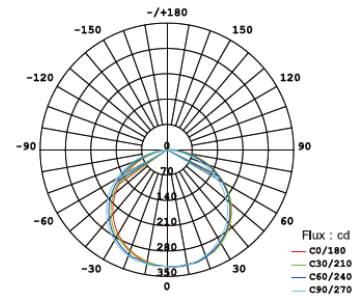

Color Rendering Index: RA>80

Average rated LED life: >50,000hrs @ L70

LED brand/qty: SAN'AN SMD LEDs

Ambient temperature: -20°C to +45°C

Beam Angle: 110°

Power Switchable:
24W/30W/36W/42W

Color Switchable:
4000K/5000K/6000K

Model	Watts	Supply Voltage	Lumen Output	Dimension L*W*H	IP Rating
SL-A1240	40W	AC 220-240, 50Hz	4800lm	1190*95*75mm	IP65
SL-A0620	20W	AC 220-240, 50Hz	2400lm	590*95*75mm	IP65
